RED WINE Lora Red is a combination of **Tempranillo (50%)** and **Shiraz (50%)** grapes. It has an excellent nose of violets, black cherry fruit and earth. Its ageing in oak barrels gives it spicy aromas such as vanilla, pepper and toasty notes. Soft and silky on the palate, it is a perfect match to a wide range of foods, such as grilled meats, Spanish Tapas, cheeses or just a glass on its own. A little secret? Try it with dark chocolate! Organic viticulture consists on not using industrially synthesized fertilizers nor pesticides. It's just growing as it used to be. A Nature friendly way of work which translates into better and healthier grapes.
